Rita,

Below I have listed our tax ID and bank information. We received our vendor code number last year. Each year we enter into a new contract with the City, which may explain why it appears that we have another contract.

One of the patrol's most important duties is guarding the three daycare centers as the kids travel through our district. If it helps to make your case, I have attached photos showing the work by the Little Tokyo BID safety patrol in a typical day. In this case, the day was yesterday, Wednesday, January 24, 2018.

We are significantly behind in paying our security services provider. They have been patient, but they also have every right to suspend services. Here is our information:

**Little Tokyo Business Improvement District**  
**Managed by Li'l Tokyo Businessmen's Association (also known as "Little Tokyo Business Association")**

**Contract Number: C-130373**

**Council File Number: 14-0385**

**City of L.A. Vendor Code: 100024921**

**Tax ID: 23-7211984**

**Bank information: Pacific Commerce Bank**  
**Routing number 122043301**  
**Account number: 100153370**

Ellen,

Per our conversation, I will talk to Management and see if we can get expedited assistance from the Controller.

I'll let you know.

Rita,

Is there any news regarding payment for the 1st, 2nd, 3rd quarter Little Tokyo BID invoice?

Should I arrange to pick up the check or will the funds be transferred electronically? Your assistance, as always, is greatly appreciated.
